Subject: I am probably wrong about the state department form that I mentioned

Hi Kristin,

Looks like the State Department form may only be needed if accepting cash instead of "in kind" benefits.

Sorry for adding extra worry!

-Peter

No; this is one of the weird ethics where I had to put the statement – under the attachment – that you're being paid cash under the Foreign Gifts Act. These amounts don't go into the "in kind" column.

Hi Janet,

I didn't see anything other than the airfare on there. Should we add the hotel, etc.?

Thanks,

Peter

Peter: I just submitted the ethics form for your March 2015 trip to Lyon France. I did attach the State Dept form, along with the IARC invitation, as requested by Justina Fugh in OGC.

Please use the link below – or in the email you should have from the ethics system – to review the ethics then forward it to Tim Buckley, your DEO.

Janet

Subject: Ethics Travel Form for Peter Egeghy

Hello Janet,

The Ethics Travel form you pre-filled has been forwarded via an e-mail link to this e-mail address: Peter Egeghy.

If you typed in the name for Peter Egeghy rather than picking the name from the EPA directory please return to the form using the link below, click Edit Document when you get there, and redo the step where you selected the travelers name. An example of how to pick a name from the EPA directory is provided.

* * * A B S O L U T E L Y   D O   N O T   R E T U R N   A N D   E D I T * * * the form unless requested to do so, and not without FIRST informing Peter Egeghy that you are making corrections. Peter Egeghy must close and exit the system if already open, as you will be resending a link to the corrected form.   If Peter Egeghy has already submitted the form, close and exit the system -- it is too late to change the form. You must contact the OGC Ethics Official to have the submitted form disapproved. This disapproval will unlock the form so that you or the traveler can make any needed corrections.

If a post-travel amendment is needed, it must be done by the traveler. A Create Post-Travel Amendment button appears on the form after the travel end date.

Click the link at the right if you need to return to the form for editing or printing. Note: if the traveler receives a doclink not found error, the form is not yet available for the traveler. Please instruct the traveler to wait 1 hour and try clicking the link again -->>
